

## Re-Industrialization – Impact and Opportunities for Hong Kong

### Speaker profile

#### **Mr. Matthew Man, CEO, Megasoft**

Matthew is the CEO and Founder of Megasoft Ltd., a leading provider of retail technology, mobile and IoT solutions. The company's most innovative solution, Myndar, the next generation intelligent retail management system, has transformed the jewellery and fashion industries globally.

Educated and lived in the United Kingdom over 19 years, with over 30 years experience in the IT industry, Matthew has a strong background in R&D and Sales & Marketing, with in-depth knowledge of the electronics, manufacturing, logistics management and retail industries.

He is also the Chairman of an investment company, Mega Gold Holdings Ltd., which is funded by angel investment, venture capital and the CEO of Megabyte Ltd. Under his leadership, the R&D teams have innovated many award-winning revolutionary IoT products. In 2015, Matthew won the Ernst & Young Entrepreneur of the Year 2015 China Emerging Entrepreneur Award in recognition of his innovative spirit and exceptional achievements. He is also an active member of Industry & Technology Committee of Hong Kong General Chamber of Commerce and Hong Kong Electronics & Technologies Association.
